## Pilot unhurt after plane flips at Kyneton airfield

□ *Herald Sun*

□ January 17, 2015 1:15PM

**A PILOT aged in his 60s has escaped serious injury after his plane flipped north of Melbourne.**

The light aircraft was landing just before noon today when the incident occurred at the Kyneton airfield.

The pilot suffered minor cuts and abrasions and treated at the scene.

He was already out of the plane when paramedics arrived.

The Australian Transport Safety Bureau has been notified.
