### **Three people have been confirmed dead after a plane crashed into the water at Barwon Heads on Victoria's Bellarine Peninsula.**

Australian Volunteer Coast Guard in Victoria said it was a six-seater plane and they were searching for debris. Victoria Police said the plane came down just before 12:30pm near Bridge Road.

"Police and emergency services are currently at the scene of an incident in Barwon Heads where a plane has gone into the water," Victoria Police said in a statement.

"We can confirm three people have been located deceased."

Two coastguard boats and two air ambulance helicopters have been dispatched to the crash scene.

The cause of the crash is not yet known.
