Two men escape flipped plane in Gatton aircraft crash

[Amy Mitchell-Whittington](#)

Two men in their 70s have escaped an aircraft crash at Gatton.

Emergency crews were called just after 11am to Gatton Airpark after reports a light airplane had crashed on landing.

When paramedics arrived, they found the two male passengers had already managed to get out of the upturned aircraft, with one of the men taken to hospital after suffering neck pain.

A fire crew was called to the site after reports of a small fuel leak.
