Helicopter crash near Mansfield

Grace McKinnon, Sunday Herald Sun

July 6, 2019 5:56pm

- **A helicopter has crashed with one woman seriously injured just outside of Mansfield.**

Emergency services were called just before 3pm today to Mansfield-Woods Point Road with six vehicles responding to the scene.

Two air ambulances were called to the property south of Mansfield to assist local paramedics.

The helicopter crash landed at a private property in Pires where paramedics found the two, believed to be in their 40s, on board.

The woman is now in a critical condition and both patients are being flown to The Alfred Hospital in Melbourne.

The Civil Aviation Safety Authority and Australian Transport Safety Bureau have been notified.

Police and emergency services remain on the scene while an investigation is underway.

It is unknown what caused the crash.
