

## Light plane crashes in remote north-west Queensland

By [Lydia Lynch](#)

March 31, 2019 — 3.36pm

**Two people were on board a plane that has crashed in north-west Queensland on Sunday afternoon.**

The plane went down about 10 kilometres from Normanton, which is about 500 kilometres north-east of Mount Isa.

Paramedics were rushing to the scene, but it was believed the two people on board have escaped with minor injuries.
