

Pilot survives as waterbombing helicopter crashes battling Queensland fires

3:20PM
AAP

A helicopter pilot has survived a crash while waterbombing a fire west of Brisbane.

The pilot crashed off of Grapetree Road while bombing the Pechey fire near Toowoomba at about 2pm this afternoon (local time).

The person is being treated at the scene of the crash by Queensland Ambulance Service paramedics for non-life threatening injuries.

A spokesman said the pilot made a "hard landing".
