Hello and Welcome to another Issue of the AirCentre News Flash from the Archerfield News Desk where aviation history is recorded for all those persons who fly-in, pilot or enjoy the ownership of light aircraft.

This Issue is about the Mobil Avgas Forum to be held at Archerfield.

The News Desk has just been advised that on this coming Thursday, February 10, Mobil will be conducting a Forum on the fuel contamination issue.

The meeting will be in the conference room of the Royal Queensland Aero Club commencing at 1400 hrs.

If you would like to hear the latest from Mobil, or have a question you would like answered, here is your big chance.

The expectation is that the meeting will be very active.

Be there for the "real life" action!!
