

Subject: AF News Flash Issue 11
Date: Thu, 30 Mar 2000 14:53:02 +1000

Hello and Welcome to another Issue of the AirCentre News Flash from the Archerfield News Desk where aviation history is recorded for all those persons who fly-in, pilot or enjoy the ownership of light aircraft.

This Issue is released to advise readers of AirCentre News that the April Issue, Week One, is about to be published on the WWW and also to advise that you are still on the mailing list and have not been deleted!

The lack of regular Issues of this News Flash is only as a direct result of the lack of 'real life' type interesting news here at Archerfield!

However, just to keep you up-to-date on the latest at AF, the Archerfield CASA office is about to do a 'big shift'.

As you will be aware, the published date of this News is April 1st., however, this news really is for real and not some "April Fools Day Joke"!

CASA, in one form or another and after having been on the airfield for more than 60 years, are now arranging to depart.

The full details are on April Issue, Week One, of the news page.

There is also mention of an ex military L-39 jet expected on the airfield shortly.

And a special welcome to a number of new readers from various parts of the country (and World) who have applied for this News Flash to be sent direct to their e-mail address, ...welcome aboard, ...buckle up, sit tight and enjoy the flight!

Don
